WHAT IS **MPACT?**

MPACT is an easy and efficient ordering process that combines the resources of contract decorators and the breadth of alphabroder's assortment. MPACT enables a contract decorator to consolidate all of their customers' orders into one shipment, and pass the cost savings onto you.

WHY USE **MPACT?**

- **Free delivery***
- **No need to combine purchase orders**
- **Elimination or reduction of restocking fees**
- **We'll tell your MPACT decorator what is on the way.**

HOW DOES AN alphabroder CUSTOMER SHIP VIA **MPACT?**

For web orders, on alphabroder.com:

1. Go to SHIPPING ADDRESS under the MY ACCOUNT tab of alphabroder.com
2. Once there, add the desired decorator as a saved address
3. Place your order as you normally do
4. Once on the checkout/order confirmation screen, change your shipping method to MPACT and your SHIP ADDRESS to the decorator you want to use

Email or Phone Orders:

1. Ensure their contract decorator is set up with alphabroder on the MPACT program
2. Check with your MPACT contract decorator about the delivery days chosen for MPACT program
3. When submitting their orders, clearly indicate the shipping method to the contract decorator as MPACT.

Ship **MPACT** today

*Regardless of size AND excludes mill drop ship, custom and alphabroder decorated orders
